Fees for the two week option are \$1,885.00 (plus HST)

Fees for the intro camp are \$880.00 for five days (plus HST) / \$1,650.00 for nine days (plus HST)

Fees may be paid in instalments but must be paid in full before campers arrive. The deadline for final payment of fees is May 1st.

REGISTRATION: All parents, whether their boy has attended Camp before or not, are requested to fill out a registration form. Please send this form to the Camp office with the deposit of **\$300.00**. This deposit less a \$100.00 administration charge will be refunded if registration is cancelled before March 1st.

We recommend that parents of returning campers register as soon as possible in order not to be disappointed.

For those registering for their first summer at Hurontario:

As Hurontario enjoyed a truly wonderful summer this past summer of 2011 with amazing staff, energetic and lively campers and the best weather, we are sure that again this fall, the camp will fill quickly. Therefore, we recommend that registrations be sent to the office as soon as possible in order to confirm a place. A letter confirming registration will be mailed or emailed upon receipt of registration forms and a deposit of \$300.00.

A final package with all details pertaining to coming to camp (packing, clothing lists, parent visits, travel plans and final invoices) will be mailed to all registered campers in late March.

CANOE TRIP PROGRAM:

The Massassauga Provincial Park, which is situated close to Hurontario's Loon Portage offers excellent, safe and interesting tripping for our younger campers. The Province now charges a small daily fee of approximately \$9/day (plus HST) for camping in the park. Further details of this fee will be included in our final package.

Specialized trips in the Magnetewan, Restoule and Pickerel River Basins are available and, for the majority of our campers who are 12 - 13 years old, these trips will be a part of their summer program. **Please note: there is an additional charge for these advanced trips** to cover the high transportation costs. Trip forms with detailed cost & outlines of these trips will be mailed with the confirmation package.

ADVANCED CANOE TRIP PROGRAM:

All boys who are 14 year of age and older will participate in a canoe trip in a remote but safe environment in the Chapleau Game Preserve where we own a well equipped northern outpost. This is a popular program and we are limited as to the number of campers who can take this opportunity to explore northern Ontario. **Please note: there is an additional charge for these advanced trips**, which will be outlined in the confirmation package.

WHITE WATER TRIPPING PROGRAM:

For campers who are 15 or 16 years old, Hurontario offers the opportunity to experience the incredible fun of white water tripping. This program involves an excellent training course in the spring and a choice of five AMAZING river trips, which vary from 10 days to 21 days in length. **Please note: there is an additional charge for these advanced trips**, which will be outlined in the final confirmation package. In the spring, senior campers will have the opportunity to choose one of these river trips or our northern outpost (see above).

LEADERSHIP-IN-TRAINING PROGRAM:

If a camper is 15 or turns 15 while at camp, he will be involved in our leadership-in-training program. This program, which has many facets, offers senior campers an opportunity to begin to work with younger campers, to organize camp activities, and to work on their own skills in preparation for becoming a staff member the next summer, provided the camper is successful in the leadership program. Please register your 15-year-old camper now so he can take advantage of this excellent program. It is very beneficial and teaches leadership skills for both city and camp life.
